Mr. Paul Lee

by Sonya P. Pierce

Paul Lee is one of several friendly staff members you will encounter at H.D. Pope Funeral Homes. After receiving a tour of the Roanoke Rapids location in 2001, he applied for a job and has been employed as an Associate with the funeral home since.

A chance meeting during a vehicle inspection recently resulted in Lee being featured in a documentary, “A Picture

of Dignity” by Scott Geier. In it, Lee provides a glimpse of one of his duties—driving a hearse—while also affirming his faith. It is his faith and the love he has for his family and others that keeps him going. He explained, “The Lord didn’t give me good health and all this energy that I have for me to sit around and do nothing.” This is evident in his service to the funeral home, his church, his family, and his community. In fact, his caring and professional service is akin to the service provided by all of the funeral home staff. Lee believes the pride they take in serving families is what distinguishes H.D. Pope Funeral Homes from others. Furthermore, the staff provides a service that goes beyond “just doing a funeral”.

The documentary can be found online at

At our Holiday Celebration, we acknowledged that economically, our country has made some progress. However, our counties and some of our families are still suffering. As a part of your family, H.D. Pope Funeral Homes would like to extend an offer to those who may or may not have life insurance or Preneed coverage.

For a limited time, anyone who opens a fully funded Preneed program through one of our in- house Preneed companies will receive a free casket. Please visit our Rocky Mount or Roanoke Rapids locations for more information.

To schedule a Preneed seminar, contact one of our offices.
