### *I'm Free*

*Don't grieve for me for now I'm free,  
I'm following the path God laid for me.  
I took His hand when I heard His call,  
I turned my back and left it all.*

*I could not stay another day,  
To laugh, to love, to work, to play..  
Tasks left undone must stay that way,  
I've found the peace at the end of the day.*

*If my parting has left a void,  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things too I will miss.*

*Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much,  
Good friends, good times, a loved ones touch.*

*Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wants me now, He set me free.*

### *After Glow*

*I'd like the memory of me to be a happy one.  
I'd like to leave an after glow of smiles when life is done.  
I'd like to leave an echo whispering softly down the waves.  
Of happy times and laughing times and bright and sunny days.  
I'd like the tears of those who grieve to dry before the sun.  
Of happy memories that I leave when my life is done.*
