

It's that time of the year! School is letting out, nights are getting shorter, and the days are getting longer and hotter! The time has come for cookouts, hangouts, and good memories. I know I've been counting down the days. So, let the summer begin!

Around the world, there are different times for summer. In India, summer starts in April, and ends in June. In England summer begins in mid-July and ends in late August. In Australia, New Zealand, and South Africa summer starts in mid-December and ends in late January.

POPE'S CORNER

At our Holiday Celebration, we acknowledged that economically, our Country is in a little bit of a better place. However, our Counties and some of our families are still suffering. As a part of your family, we would like to extend an offer to those that may or may not have life insurance, or preneed coverage.

For a limited time, families that allow us to provide a traditional full service funeral for their loved ones, will receive casket free of charge. Anyone who opens a fully funded Preneed program through one of our in-house Preneed companies, will also receive a free casket. For more information. Please come into our office located in either Nashville, Rocky Mount, or Roanoke Rapids.

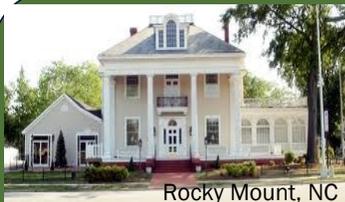

We would also like to take this time to inform you that we hold Preneed seminars. To schedule a Preneed seminar please contact one of our offices.

The Duanwu Festival, otherwise known as the Dragon Boat Festival in China, falls on different days in June. On the Chinese Lunar Calendar, the Dragon Boat Festival falls on the fifth day of the fifth month. All around China, people row in boats shaped like dragons on rivers while there is a massive parade on land.

The Bon Festival is a Japanese Buddhist custom to honor the ancestors. On this day, people clean and visit their ancestor's graves, and the spirits of their ancestors are supposed to come and visit the altars they've set up. The festival lasts three days. It's celebrated both on July 15th and August 15th.
